My View on Social Phobia

Nowadays, more and more college students are suffering from social phobia. They often feel nervous and anxious when communicating with strangers, even avoiding group activities like class discussions or campus parties. Some are afraid of being judged by others, so they choose to stay alone and close themselves off from the outside world.

However, I think social phobia brings negative impacts on college students. On one hand, it affects their interpersonal relationships, making it hard to make friends and build social connections. On the other hand, it may cause mental stress and loneliness, which is harmful to their mental health and even hinders their academic performance and future career development.

From what I have mentioned above, we can draw the conclusion that we should take measures to overcome social phobia. There are some practical ways. First, we should build self-confidence and accept our imperfections bravely. Second, we can start with small steps, such as talking to classmates actively or joining interest clubs to practice social skills. Besides, communicating with friends or seeking help from psychological counseling can also ease anxiety effectively. As long as we take action, we can gradually get rid of social phobia and live a more positive campus life.

如今，越来越多的大学生正遭受着社交恐惧症的困扰。他们在与陌生人交流时常常感到紧张和焦虑，甚至会回避诸如课堂讨论或校园聚会这类集体活动。还有一些人害怕被他人评判，因此选择独处，与外界隔绝开来。

然而，我认为社交恐惧症会对大学生造成负面影响。一方面，它会影响他们的人际关系，使他们难以结交朋友并建立社交联系。另一方面，它可能会导致精神压力和孤独感，这对他们的心理健康有害，甚至会阻碍他们的学业表现和未来的职业发展。

根据我上面所提到的内容，我们可以得出结论：我们应该采取措施来克服社交恐惧症。有一些实用的方法。首先，我们应该树立自信，并勇敢地接受自己的不足之处。其次，我们可以从小事做起，比如主动与同学交流或者加入兴趣小组来练习社交技能。此外，与朋友交流或者寻求心理咨询的帮助也能有效地缓解焦虑。只要我们采取行动，就能逐渐摆脱社交恐惧症，过上更积极的校园生活。

Books

People often say that gold and silver are valuable, because they are wanted by everyone. But I say that books are even more valuable, because they are needed by everybody.

Books are our teachers. They teach us something about life, truth, science and philosophy. They increase our knowledge, broaden our horizons, strengthen our character and do many other things that silver and gold cannot achieve.

Books are our friends. They introduce us to great men and women. They take us to all the countries in the world. They tell us stories of all ages. They also help us in our difficulties, comfort us in sorrow and in suffering, and fill our minds with positive and joyful thoughts. So, let us read more books.

人们常说，金银贵重，只因人人都渴望拥有。而我却认为，书籍更为珍贵，因为它是每个人都不可或缺的需求。

书籍是我们的良师。它为我们传授人生真谛、科学知识与哲学智慧，既增长我们的学识，拓宽我们的眼界，也砥砺我们的品格——这些都是金银无法企及的力量。

书籍是我们的益友。它带我们结识古今圣贤，领我们走遍世界各地，为我们讲述千秋故事。当我们身陷困境时，它伸出援手；当我们饱经悲苦时，它给予慰藉；它更让我们的脑海中充盈着积极向上的美好念想。所以，请让我们多读书吧。
